

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

# FROM THE MOUNTAIN

BY GEORGE STERLING

---

LET us go home with the sunset on our faces—  
    We that went forth at morn,  
To follow on the wind's auroral paces,  
    And find the desert bourn  
The frontier of our hope and Heaven's scorn.

Let us go home with the sunset on our faces—  
    We that have wandered far  
And stood by noon in high, disastrous places  
    And seen what mountains are  
Between those eyries and the morning star.

Let us go home with the sunset on our faces:  
    Although we have not found  
The pathway to the inviolable spaces,  
    We see from holy ground  
An ocean far below without a sound.

GEORGE STERLING.
